ONLY TENDERS UPLOADED ON THE ABOVE-MENTIONED WEBSITE BEFORE THE CLOSING DATE/TIME SHALL BE CONSIDERED.

Method for submitting Proposals:

Proposals must be submitted through our tendering website at <http://comprex.faa.mil.ar> in two separate zipped digital files:

It is recommended that potentially interested participants upload their proposals with sufficient time before the Closing. AAF shall not be responsible for issues that may arise when uploading and submitting tender files, such as upload speed, upload total time or format/type/quality of the files uploaded.

Do not wait until the last minute before the closing date to upload your tenders, especially if the files to be uploaded are large.

Please note that uploaded proposals shall not be accessed by AAF at any time before the Closing.

Note that any financial information provided directly to any recipient at AAF or that is submitted other than through the above-mentioned method will automatically disqualify the relevant tenderer from this tender process as such actions compromise the integrity and transparency of the sealed tender process.
